### 1) Essay 1: Choice of the Master's and contribution to the class

- |   |  |
|---|--|
| <input type="checkbox"/> How did you come to the decision to pursue an arts management graduate degree? | <input type="checkbox"/> What are your leadership skills?  |
| <input type="checkbox"/> Why are you interested in this specific Master's?                              | <input type="checkbox"/> Are there specific skills you wish to develop or enhance?                           |
| <input type="checkbox"/> What are your strengths and weaknesses?  | <input type="checkbox"/> What is your management experience?   |
|   | <input type="checkbox"/> How do you plan to contribute to the Master in International Arts Management group? |

### 2) Essay 2: Post-Master's impact

- What are your post-graduate career goals?  
 How will a graduate degree from this program help you in your professional development?  
 How do you plan to make an impact on the arts community?  
 How specifically would your graduate education help you do so?

### 3) Essay 3: Final project

- What is your proposal for a final project? (you will have the option of changing your final project in the course of the program)

For example, a final project might be the organization of an international tour of a contemporary opera, the creation of a firm that handles international logistics for jazz festivals, the study of regulations in different countries related to the coproduction of a film with multiple partners, the creation of a virtual museum of Indian art that builds on the collections of many museums, or a business plan to have a story narrated across different media — what is called "transmedia storytelling" or "multiplatform narrative." The analysis must include markets in more than one country. We expect that students' master's thesis project will evolve during the program, and possibly change from their initial intention. We are looking for an idea of where students' interests lie.

### 4) Essay 4: Scholarship

- If you would like to apply for a scholarship, please explain your needs and reasons.

5) **SUPPLEMENTARY:** If you answered "yes" to the questions related to academic/disciplinary issues or criminal history you MUST submit this essay.
